No charge for the wine and chocolate tastings. Also a ticket for every 2 Bottles of Hahn for a drawing of "gifts" from Hahn. There will be 5 winners!

***17-18 Great Value Italian "Tour d'Italia"***

Brian from Vinum is working with us to choose some interesting wines from various regions of Italy that are not only delightful, but great values.

***24-25 TREVERI CELLARS of Washington State: A Sparkling Extravaganza!***

A very rare occurrence in WA: Methode Champegnoise (the genuine Champagne style) sparkling wines from Washington made from varietals rarely seen in a sparkling: Gewurztraminer, Riesling, Pinot Gris, and a white blend, as well as a sparkling, dry Syrah. Fun, Fun, Fun! We will have Barry and Christian from Treveri Cellars here on Saturday 3p-6p.
