

10-11 PACIFIC RIM

Washington's own Riesling specialist and one of our personal favorites. We will start with their beloved White Flowers Riesling Sparkling and ending with the Framboise, Raspberry Dessert Wine. And here is a TWIST! Their vineyard select, old vine Riesling called "SOLSTICE", which is normally \$32 goes on sale on the 13th. So, to give you the opportunity of tasting and purchasing this outstanding wine at \$19.59, and saving \$12, you can pre-pay at the Discounted price, and I will have your order here the following Friday.

17-18 NORTHERN ITALY

Giampaolo Falchetti of VI Imports and I have made a selection of delightful wines to pair with some Italian wine munchies for your Northern Italian palate. Great wines and the VERY, VERY Italian charm of Giampaolo, who will just be getting back from a trip to his home in Italy. Please note that next week I will be doing Southern Italy.

24-25 SOUTHERN ITALY

Too many choices and regions of Italy to do just one! Buddy Dunn, the importer, will be here at the usual 3p-6p Saturday time slot for his presentation. Of course I will be pouring 12-7 Friday and Saturday. Of course, Old World Wines cry out for munchies. And though not Italian, Buddy is very knowledgeable, adorable and lots of FUN
